- 1b. Excluded Brands- Specifically excluded from the definition of Branded Title are: ownership and registration documents originally issued without a brand but later stamped with a brand without being reissued; salvage titles issued due to theft; damage disclosure documents; and Branded Titles issued in error and later corrected. Other information that may reflect negatively on the vehicle, including but not limited to accident information, is excluded from AutoCheck Buyback Protection unless expressly covered by the definition of "Branded Title".
- 2. Consumer- the person (other than a Dealer or Transferee) who ordered and paid for the Report prior to their purchase of the Vehicle.
- 3.
